

Summer 2024

To our friends and clients.

You may know that Nicolas TRICOU (mountain guide) sadly passed away in an accident on 19 March, which has naturally disturbed the equilibrium of our close-knit family business, LES GETS AVENTURE.

However, we will be running all of our activities as usual over the summer and our team look forward to sharing with you their passion for the mountains and all that they have to offer! In terms of reservations, we'll be managing things a little differently this summer (as set out below).

TO RESERVE AN ACTIVITY, PLEASE CONTACT US DIRECTLY
